Hello everyone!

This notice is being sent because we need to clear up an issue regarding Friends of Valley Spur Memberships.

At this time it is necessary for us to recant our statement regarding the Friends of Valley Spur memberships. Please note that the purchase of a season pass at this time does NOT include membership to the Friends of Valley Spur Organization. Joining the Friends of Valley Spur volunteer organization is totally separate from purchasing a membership to use the Valley Spur ski trail system.

As you know, since our alliance was formed with the NTN organization the pricing structure changed from donations to a required fee. This led to some confusion on our part mainly due to the fact that the wording states in the 2007-2008 brochure that you are purchasing a season "membership". This was truly meant to imply that you are purchasing a membership for use of the trail system.

Please know that we still need you to be a part of our organization and hope that you will consider joining the Friends of Valley Spur. Joining is easy. Simply fill out the attached application and send to us including your \$5.00 membership fee.

We do apologize for any confusion we have caused regarding this issue.
